Points & Plugs

Submitted by UFO Member Chris Browning

There is no getting around it, the weather this summer has been dreadful. The rain has been unstoppable, the temperatures have been lower than normal, and July isn't looking much better. I'm hoping things dry out and I can get out more.

I attended the GoodGuys show as a spectator, and the weather was actually great on Saturday. The show was impressive, and the cars were spectacular. I saw several mid 60's Galaxies and Fairlanes, along with a few Comets. It's great to see the Fords out in force, and more models than just Mustangs (no offense to the Mustang crowd).

The car that wowed me the most was a '62 Mercury full size wagon, two tone red and gray with nice wheels and a slight rake on the nose. Most people wouldn't have bothered with modifying a wagon, but it was cool! There was a Gas Monkey license plate on the front, but I don't know if the car was done by their shop. There wasn't anybody around it, and the hood was closed, so I didn't get any details, but the workmanship I could see was well done. Another car that I was drawn to was the Craftsman '65 Comet. It was featured in Hemming's Muscle Machines recently, and it looked better in person than it did in the magazine. I didn't get to see it run the autocross course, but it should be quite a runner!

The previous weekend I went to the monthly cruise at Buffalo Wings & Rings on E. Broad St. and was joined by Jay Nutt in representing the UFO.

There were so many Mustangs in attendance that even Big Dawg thought it was a Mustang show! The turnout was good, with over 90 cars and trucks on display. I'm hoping that our next show will draw as good a turnout and that the weather cooperates. Since we haven't had a show yet this year, anything would be an improvement! See you at a show soon, weather permitting of course!

ATTENTION!!

September 6th Autocross at CMS Needs Workers

Due to an anticipated heavy turn out of autocrossers for the September 6th UFO autocross **Auto Cross Director Todd Kitchen is asking any and all members who have the time to come and help make the Sept 6th event a success.** Any and all help would be greatly appreciated, so regardless if you have never been to an autocross or are an old hand at it Todd needs your help.

So if you have the time to help the club out please plan on being at Columbus Motor Speedway on Sunday Sept 6th at 10:00 am.

Any questions, comments please **contact Todd at 614-286-3026 or email kitchenator@gmail.com**

UFO Needs Help
Preparing for Fall Super Swap

The club need some members to step forward to help Kevin Dearth prepare for the Fall Super Swap. The club needs help contacting the members by phone prior to the swap to see if they will be able to work the Fall Super Swap. This is an important task because if we don't have workers to help then the swap will not be as successful as it has always been.

If you have any question or want to volunteer please contact :
Terry at 740-607-1451 or email him at **tbucket@columbus.rr.com ~or~**
Kevin at 614-265-9095 or email him at **ufokd@yahoo.com**

United Ford Owners Cruise-Ins
at Great Southern Shopping
Center

Well the August UFO car show/cruise was rain free, Mother Nature finally cut us a break! The turn-out was a little light but everyone seemed to have a good time! The next car show/cruise is September 19th and is being held at the Great Southern shopping center on South High Street . This year we will be awarding trophies to the top 40 as determined by participant judging. Start time is 4 pm and last until around 8 pm. The dates for future Cruise-Ins are; September 19th and October 17th. "Fast Eddy" will supply the music and we will have a table set up if anyone has model vehicles to show. We even have 50/50 cash and door prize tickets available for sale. As always, teens and youths are welcome, we would like to see more young people get involved in the clubs events.

If you have any questions please **contact our Cruise Director, Jim Hileman at 614-530-0605** Or e-mail at **hildog94@aol.com**

August 15th "Cruise the Ville"

When considering places in central Ohio for a car show, the Park of Roses has to be high on the list of venues and for good reasons. It is a place where you can park on the grass under large shady trees in a beautiful setting, the weather was great . WTVN Radio personality John Corby was there to MC the event and 610 AM played music. Around 190 cars attended the show with trophies being awarded sometime around 4:30 pm .

The registration and judging was performed by UFO club volunteers and went without a hitch. Special mention should be given to "Cruise the Ville" committee Chairman Tom Waibel who wants to thank all who helped or participated especially those who were "forced" to judge **non Fords** (the horror)!!
