## President's Corner By Thomas Waibel

Hi everyone! I hope this finds you happy and healthy since it is mid summer already.

I hope everyone is getting out to cruises and

car shows, on that note the "All Ohio Ford Show" is fast approaching and we will need people to help if even for a few hours !

We need people to help take in money at the gate, and sell door prize tickets. Last year we tried participant judging and we had several people complain so this year we decided to go back to club members doing the judging. This means we will need some members to step up and volunteer to judge. No experience is necessary! I've done it several times and have met a lot of new friends in doing so. By the way the new flyer is done and should be on the website now (thanks Chuck), I also have seen it on at least one cruise website. .

You can contact Sue Rankin, Chuck Fairbanks, or me to volunteer!

So lets get out and support our club, and get the word out and as always stay safe out there.

Let us know about any upcoming shows or projects you are working on. Please send any interesting articles to Jay he needs them for the newsletter. That's about all for now! Next meeting is Wednesday, Sept 7th. I hope to see you there.

Please check the clubs website and Facebook page for info and updates.

Pres Tom

## 2022 UFO Banquet Report

*Submitted by Synthia Waller*

We got together on Saturday June 25th, 2022, at Der Dutchman in Plain City for our 2022 United Ford Owners Banquet. It was such a great time, and I am so glad that we were able to get together. Everyone seemed to have had a lot of fun and it was good to see friends that we have not seen in a while. It was fun to catch up and talk to old friends.

I want to thank Lucy Snyder for her help in getting all the door prizes. I am also looking forward to next year's banquet. I am hoping to do it sometime in March or April. If anyone has any suggestions for where to go for next year, please let me know. Thank you to everyone that helped and showed up and I am so excited to do it again next year.

## **In the Garage—Working on My 73 Mustang**

*Submitted by Jay Nutt*

Hi everyone, I am finally back in my garage working on my 1973 Mustang project. I bought the car several years ago and put it in storage while I finished another Mustang. I found the Mustang on Craigslist, the owner needed the money to finish a AMX he was working on.

The car is a fastback, dark blue with a partial vinyl top, and blue interior with about 33 thousand miles on it. It came out of the factory with a 351 Cleveland and FMX trans, both were gone when I got it. Someone had swapped in a worn-out 351 modified and C6 from a 78 truck.

After wasting too much time on the 351M, I finally picked up a 460 from a Tbird to put under the hood. I tore down the motor and took it over to Fowler Engine to be machined. They bored the cylinder 30 th, put new cam bearings, and ported and polished the heads. When they were done My son Jason and I assembled the motor. It has forged flat top pistons, a lunati cam, and eagle crank. Based on the figures I got from Fowler it should run around 10 to 1 compression. I want lower compression so I can put a turbo on it sometime down the road.

That's it for now, I will let you know what else I get done this fall in a future issue.

## **UPCOMING!! 13th Annual United Ford Owners All Ohio Ford Show**

The 13th annual All Ohio Ford Show is Sunday September 11th at Pastime Park in Plain City. Registration starts at 10 am thru 2 pm with awards at 4pm. This show is open to all Ford powered vehicles of any age. The entry fee is \$20 with all proceeds going to the Earth Angel Foundation.

If you have never attended this show, you may not know how great a place Pastime Park is to have a car show at. The park has large trees with great shade to park under and ample parking for everyone. There will be a food truck to eat at and we will again be featuring Hot Wheel racing for the kids and kids at heart, along with a chance to win great door prizes and a 50/50 drawing, so c'mon and join us! If you have any questions concerning the show please contact

**Tom at 614-444-1504 or
