The UFO Presidents Corner By Terry Tippet

Hey everybody!
CALLING ALL UFO CLUB
MEMBERS!

Happy Holidays to everyone
First I need to give a big
THANK YOU to all of the club
members, Mustang Club and
friends that put on the Fall Su-

per Swap. As you know we can only do this event if everyone helps out. Thanks to the ones that come and work for a few hours all the way to those who lived at the show.

We had the nomination of officers on November 4th (be sure to look over the list of nominees to see if you have been nominated for an office), and the election will be held on December 9th.

Our meeting place is the Grand Prix Karting facility at 1300 Alum Creek Dr., Columbus, OH 43209. Meetings start at 7PM. The remaining meeting date is December 9.

Would you like to see your car in your newsletter or on your website? Please send pictures and/or stories to your newsletter editor Jay Nutt and web wizard Bob Roush. Info for both is on the back of your newsletter.

Any questions, comments, suggestions please contact me at **740-607-1451** or e-mail at **tbuck-et@columbus.rr.com**

Thank you
Terry

Points & Plugs

Submitted by UFO Member Chris Browning

The recent issues of a couple of the magazines I subscribe to both had articles about the Pebble Beach Concourse DE 'Elegance' held annually in California. Both made the observation that this event is one that every enthusiast should have on his/her bucket list. I may be wrong, but this event doesn't even make my top ten list.

My bucket list is more like Fords at Carlisle, Hershey, Woodward Cruise and several other shows. I'd also like to attend the Pikes Peak Hill climb, the Knoxville Nationals (sprint car racing at its best) and a Barrett-Jackson auction. I enjoy going to car related events as much for the people I meet than seeing the cars or watching the race. When a bunch of car people get together, a good time usually follows. Car guys and gals are typically friendly and approachable, leading to conversations that cover many different subjects. I've never attended a "Concourse DE 'Elegance'" so I can't assume that all of the attendees are snobs. They are probably very nice. However, any car show that has a dress code seems suspect to me. Just saying...

I plan on attending some of the local swap meets during the winter months, so I may see some of you doing the same. May all of my fellow club members and their families enjoy a safe and joyous holiday season, and a happy New Year.

Misc. Ford and Thunderbird Parts Available

My Dad passed away in June and I haven't had any luck finding new homes for his Ford motors and Tbird body parts. There are three motors (1-V8 and 2-V6). One V-6 has the trans attached to it and there are two other transmissions, as well as several 90's era body Tbird body parts (tail light/bumper assemblies, door panels, glass windows, etc.). I honestly don't know exactly what everything is and there is stuff in the rafters of his garage that hasn't been touched so there might be more that I'm not aware of. I'm reaching out to you in the hopes that you might be able to connect me with someone that would be interested. I don't want to scrap it because he LOVED working on cars and was always passionate about Fords in particular

Anyway...any help you might be able to offer is greatly appreciated. I've not had any luck locally and would love it if it can be used and appreciated by a new owner. His house will be foreclosed (not sure of a date yet) so my time is running out!
