President's Corner

By Thomas Waibel

Hi everyone.

It has been a tough year especially for our hobby.

First I regret to announce the passing of several long time members; Elmer Andrews, Dale Eppley, Dave Paine, and Linda Steward; all passed in recent months. Our condolences to their families.

The elections were held during the November 4th meeting with all 2020 officers being reelected (all our parole were denied). Special thanks to Lee for giving the club a place to meet.

Moving into the new year, I am hoping we can start planning for some normalcy as far as cruise ins and shows go.

Hopefully we can have a banquet

or some type of gathering, only time and the government will tell. The clubs first meeting of the year will hopefully be February 4th, but as it stands now we do not have a firm location yet. Covid has thrown a monkey wrench into the search, with all the closures and restrictions that was currently in place!

These strange times will not last forever so if you think of a place for the club to hold their meetings, please let me know!

As always if you know about any event that the membership might be interested in please send it to Webmaster Chuck or me. Also if there is change in your Information (address email or otherwise) send it to me. If you have any question as to what the club is planning check the website for info.

In closing, I wish everyone a safe and Merry Christmas and hopefully a Happy New Year.

Pres Tom
