## *The UFO President's Corner* *By Jay Nutt*

Hello everyone!

It's hard to believe it's February already! It feels like Spring is just around the corner. It's a good thing our Cruise-In, Drag Racing, and Auto Cross directors have been getting the schedules for each of the events set up. I should have more information concerning the dates in the next newsletter.

The club lost a lifetime member earlier this year when Dick Mathias passed away, he will be missed by many of us.

The Awards banquet will be Sat. March 10th 2018. It's right around the corner, be sure to use your flyer/registration form included in this newsletter to get registered by the deadline of Feb 28th.

We have some new members that have expressed the desire to be our new Web Wizard. They have some very interesting ideas concerning ways to get the UFO name out to more gear heads through social media.

Please 'Like' us on Facebook, where you can get updates on our events as they happen. Going to any UFO events, but looks like rain, check our Facebook page to see if the event is on or off because of the rain as it happens.

Get out your calendars and mark down the next few meeting dates. The meeting for January is on Wednesday January 17th 2018. Starting in February the meetings will be held only on the first Wednesday of each month, which for February is the 7th and March is also the 7th

Our meetings are held at Grand Prix Karting at 1300 Alum Creek Dr., Columbus, Oh, 43209. Meeting starts at 7PM and are open to all members.

## **No UFO Booth at Spring Swap**

At the February 7th membership meeting the topic was raised concerning the club having a booth again at the Spring swap. During the discussion two items were brought up. The first was that always before we had an agreement with the Mid Ohio Ford club, where we received three spaces during the Spring Swap to use to promote our Fall Super Swap and they received three spaces during our fall swap to promote their spring swap. Now since we will not be doing a fall swap, we would be expected to pay for those same spots (about \$635.00). The second item that was brought up was that in the past we had used the spring swap to promote our fall swap and to sign up more vendors. Now that the Fall Swap has been discontinued there is no reason to do either. After some discussion a motion was made that the club would no longer rent any spaces at the Spring swap. A vote was taken and the motion passed.
