President's Corner By Lucy Snyder

Hi everyone!
HAPPY NEW YEAR !

I hope everyone is happy

and healthy!

Over this past year we have lost a few members that were a big part of this club. They are gone but never forgotten.

We have new members to create memories with.

We welcome you and hope to see you at a meeting soon.

Congratulations to our new officers.

I'm not sure about you but this year has passed by quickly.

This is a new year and we need new ideas from everyone. What worked, what do we need to change. If you have any ideas or suggestions please let me know. REMEMBER this is our club and your ideas and suggestions do matter.

Spring will be here before we know it. Car shows will be starting and I can't wait.

Let us know about any upcoming shows or projects you're working on.

Remember this is your club so get involved, come to a meeting.

Please send any interesting articles to Jay so he can get them in the newsletter!

Be sure to check the clubs website

(UnitedFordOwners.com) and our Facebook page

for information and updates. "UFO Club Members" This group is restricted to UFO members only.

If you see something that needs updated on or added on the website let Chuck Fairbanks's know. Send him a picture of your ride and he will add it.

Our next meeting is February 7th. I hope to see you there. Bring a friend/new member. That's all for now, see you soon.

Pres Lucy Snyder

Next UFO Meeting

Duties of the UFO Cruise Director

By UFO member Rod Wilson.

For the Third year in a row the United Ford Owners has been unable to find someone to hold the post of Cruise Director.

During the last UFO membership meeting, the idea was shared that maybe the reason that we were unable to find any candidates was that members didn't know what the duties include:

They need to find a location to hold the cruise, and it should have places nearby to eat and can provide electricity.

Pick dates and times (such as first Saturday of month) to hold the show and rain dates. Usually the club will have input on this.

Take care of the items ahead of time that needs done such as getting a DJ, getting money from the treasurer to use to make change, purchase door prizes within budget as allotted by club, and make sure everything is still in the van to handle registration, club merchandise, flyers, membership applications.

The last items which involve getting the van to the site and setting up the tent, registration, putting out the door prizes, and putting out the cones is probably the easiest because you normally have plenty of help from other club members.

Anything I might have forgotten, but not to worry, many of the members have held this position and would be glad to help you if anything comes up that you are not sure of how to handle.
