## Points & Plugs

*Submitted by UFO Member Chris Browning*

It's been a busy spring for my family this year. We started with some much needed home improvement projects in April and May, resulting in a remodeled bathroom and a master bedroom closet addition. Things were progressing nicely until my mother-in-law went into the hospital the Thursday before Memorial Day weekend. Everything was put on hold as our priorities shifted to a family emergency. Unfortunately, Susie McCoy passed away on June 10th after a long hard fight. Our focus then shifted to family matters that my wife and her siblings dealt with as best they could under the circumstances. Family and friends from as far away as West Virginia provided support and comfort, which made the situation a little less difficult.

As you can probably guess, the Merc hasn't been out of the garage since Memorial Day weekend when I drove it to Springfield on Saturday for the car show and swap meet. With our club cruise-ins moving to Friday's, I haven't been able to make one yet, as I've either been working or been tied up with family matters. I'm hopeful that as the summer progress's that I can get the car out more and get my remodeling projects back on track (the basement is next on the list).

I'm going to attend the Goodguys event and try to hit some local shows, so hopefully I'll see some of you out and about. Don't forget to thank a veteran as we celebrate the holiday's this summer, and enjoy the time with your families!

## "Cruise The 'Ville" in Clintonville's Whetstone Park of Roses

*Submitted by UFO Member Tom Waibel*

Hey everyone, its that time again. I'm looking for volunteers to help at the **Cruise the Ville car show**.

So come out and meet 610s John Corby and check out some amazing rides.

I need help with registration, parking, and especially judging, anyone who has experience judging at car shows or would just like to give it a try are greatly needed.

The club has offered any member who works the show a **chance to win one of the blue UFO light weight club jackets**. The winning name will be selected by a drawing and will be awarded at the end of the show.

To be eligible you must work 4 hours and register with me.

So if you have some free time on August 20th please come over to Whetstone Park in Clintonville at around 9am and help the club put on the show.

The club will be supplying pizza for those who work.

If you would like to help or have any questions concerning the event please contact me at **614-444-1504** (leave a message ill get back to you) or **e-mail t.waibel@yahoo.com**.
