The

Hey everybody!

Thank you to Shaggy and Morgan as they are working on ways to use chalk to mark the floor at the Swap Meet, like chalk on a stick or pole. As we get older it's too hard on our backs to bend over that much. If you can think of any better way, please let me know.

Points & Plugs

Submitted by UFO Member Chris Browning

No sooner than bringing the Montego home and it snows again! I'm ready for warm weather to get here and stay. Warmer weather also indicates that the local racing season is starting to heat up, which brings me to my first subject, Columbus Motor Speedway. If you haven't heard, the speedway property is being sold to the city of Obetz. 2016 will be the final season for the track. My first racing experience was at CMS, and it started my love for racing. I was probably seven or eight the first time Dad took my brothers and me to the track. Dad had been attending races there (on the dirt) in the early '50's and later after it was paved. I've since spent more Saturday night's than I can remember at the track, seeing everything from street stocks and sprint cars to ASA and K&N late models. I saw NASCAR greats like Ken Schroeder, Geoff Bodine, Mark Martin and Rusty Wallace all race there. I understand the owner's reasons for selling, but that doesn't make it any easier. I plan to try to attend a couple more races before the season is over and say my goodbyes. It is so sad to see another race track go away, but that seems to be a common decision nowadays for track owners. When the land gets so valuable, it makes sense to sell. Speaking of race tracks, I was looking at the 2016 schedule for National Trails Raceway and noticed that the Ford Expo isn't on the event listing. Labor Day weekend is now booked for an import show. I didn't see any Ford shows on the schedule at all. Last year's event was very sparsely attended, on all counts. The car show attracted less than 50 cars for both days, and the drag racing pits weren't full. There was no swap meet or vendor area to speak of. This event hasn't been properly promoted for years, and it appears that the track management has given up on it. This event had survived for thirty five years, but it also appears to have reached its end. I hope everyone had an enjoyable time at the banquet, and it was great to see everyone. When the weather cooperates, I'll look for you at a cruise-in!

Drag Race News

May 23rd was a Great day at the Races. The week leading up to the race was rain, rain and more rain; but the race Gods were smiling down on us as Sunday was a perfect race day. Partly sunny, warm, with a cool breeze, perfect weather for racing and fun. Everyone in attendance was enjoying themselves and the beautiful day. The cars were running fast and old friends stopped by to say hi and show their support. We had 41 dragsters and approximately 130 spectators. We enrolled 1 new club member; welcome to the club David Hagen. We held a 50/50 drawing, congratulations to our winner Jim Baker taking home \$90. We also want to send a big thank you to NAPA on West Broad Street for donating some wonderful giveaway prizes. They told us to come see them again for our September race. We appreciate their support! Congratulations to our race participants, everyone driving a Ford is a winner. To see how everyone finished along with some great pictures check out the UFO website and/or UFO Facebook page.
