## The UFO President's Corner By Jay Nutt

Hello everyone! The officers have done a great job setting up the schedules for the different events for the 2018 season.

Chris Browning the Cruise-In Director has everything set up with Discount Tires so we will be returning there to hold our cruise-ins on the third Saturday of each month. The first cruise was eventually rained out. Chris set everything up in the hope that the rain might blow over, but Mother nature did not cooperate so he called it around 1:00. The next cruise is June 16th.

Drag Race Director John Rankin has scheduled two drag races, one on July 1st and one for September 9th at Pacemakers.

Autocross Director Aaron Batey is again holding our autocross events near Circleville. The first was rained out, but the May 6th event had great weather. The next date is June 10th.

Web/Media Wizard Matt Atwood along with new members Brandon and Cameron are working to utilize social media to get the UFO name out to more people. Besides the Facebook page which we now have they are setting up accounts on Instagram, YouTube, and Twitter.

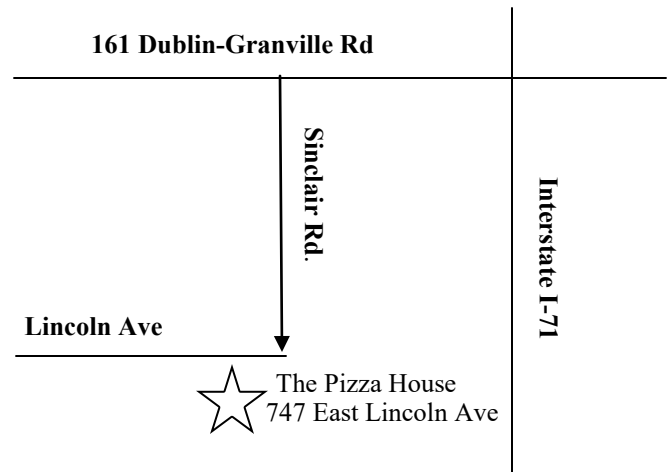

Going to any UFO events, but looks like rain, check our Facebook page to see if the event is on or off because of the rain as it happens.

The next UFO membership meeting will be held June 6th at our **new location, the Pizza House**. Meeting starts at 7PM and is open to all members.

## UFO Membership Meeting will again be held at The Pizza House

Way back in February the club decided that we needed a less expensive place to hold our monthly membership meetings. A motion was introduced and approved to move the meeting location to **The Pizza House, 747 East Lincoln Ave, Columbus, OH.**

This has worked out very well so far. The membership has again voted to have the June 6th meeting at the Pizza house. The meeting is still a pizza meeting (with the club providing the pizza) and as always will start at 7pm, so plan on coming out and checking the new place out. If you have any questions please contact **Jay at 614-861-0053, or Tom at 614-905-3507.**

## Club needs Member's Email Addresses

The club is working on verifying members email addresses by sending out a test email to all of the membership so if you received an email from Denise please reply. We are working towards eventually providing an email link for the newsletter to those who wanted it instead of receiving a paper version thru the mail. If you did not receive a test message and you would like to receive the newsletter link please send an email to **nutttjay@yahoo.com**

## **Cruise Control**

*By Cruise-In Director Chris Browning*

Spring is on its way and the cruise in season will be kicking off shortly. Discount Tire at 6959 E. Broad St (Columbus/Reynoldsburg) will be hosting our events again this year on the 3rd Saturday of the month starting on May 19th at noon. I encourage all club members to come out and support our cruise in's this year, no matter what you drive. Project cars are just as welcome as the concourse winners. Rockin' Ron will be playing the tunes, and a good time should be had by all!

As always happens when thanking a large group of people by name, I missed two very important ones in my thank-you list in my last article. Frank & Opal lezzi assisted at multiple cruise's last year, and I sincerely hope my omission doesn't keep them away this year!

The year has started on a sad note, with three people passing that I must note. My Dad, Bill Browning, passed away on February 10th. He was a long time club member, and was active in the club until health issues sidelined him a few years ago. Lifetime member Dick Mathias was another, and I'll miss seeing Dick and the Postal Pony. I always enjoyed talking to Dick, he was a very knowledgeable guy in a lot of subjects. Longtime cruise in attendee Harold McCoy (red '66 Dodge Coronet) also passed in February, and I will miss seeing him around.

If you have any questions or suggestions regarding the cruise in's please call or text me at 614-557-0232. I hope to see you on June 16th!

## **All Ohio Ford Show**

The club is looking for anyone who would like to be on the All Ohio Ford Show committee. The committee duties will consist of the setup and operation of the All Ohio Ford Show that the club puts on each September. The reservations and deposit for the venue has already been taken care of. If you would be interested please call Jay at (614-861-0053) or Tom at (614-905-3507)

## **2017 Enthusiast of the Year.**

*By UFO member Sharon Hoover*

I want to say a Big "Thank You" to all the members who voted me the 2017 Enthusiast of the Year. It really caught me off-guard. I have been a member for many years and can honestly say that this is a "Great" club with many people who are willing to go the extra mile. With the recent decisions of the past few months, we must all continue to work together to keep this club successful in the years to come. Again, Thank You for the opportunity to receive this award.

## **Great article to check out Titled Fordlandia 99% Invisible**

Long time member Debbie Near sent me a very good article which talked about a project that Ford motor company had deep in the Brazilian rainforest in the 1920s.

Their plan was to set up a plantation to grow rubber which they would use to make tires for Detroit. They wanted a supply which they had control of. I was not able to include it in the newsletter because it has a copyrighted and is several pages long but I was able to include the web site so you can cut and paste it

## **UFO Still Interested in finding a New Meeting Location**

During the February 7th meeting a discussion was held concerning finding a less expensive place to hold our monthly membership meeting. At our old location the cost per meeting was around \$198.00. At our new meeting place (The Pizza House), it is running around \$170.00. So if anyone has any ideas as to a place for the club to hold their monthly membership meeting, such as churches, library, or clubhouses which could save the club even more money please contact Jay at 614-861-0053, or Tom at 614-905-3507.
