## **The UFO President's Corner** **By Jay Nutt**

Hello everyone

The Nov. 15 meeting was the last meeting before the Fall Ford Super Swap this year. But if you think of anything we have forgotten please let me know ASAP. We are looking for help from marking the floors for set up to packing up the truck when it's all over. If you can help, please give me a call (614-861-0053) or Bob (614-451-3199)!

The only meeting in Dec. is on the 13th which will be the election of officers, if you are nominated and do not wish to hold the office make sure you let me or Jerry (VP) know or you may be voted into office. The Awards banquet will be Sat. March 10th 2018. We will have more information as we get closer to the date.

Please 'Like' us on Facebook, where you can get updates on our events as they happen. Going to any UFO events, but looks like rain, check our Facebook page to see if the event is on or off because of the rain as it happens.

Get out your calendars and mark down the next few meeting dates. They are Dec 14th when we have the election of officers, Wednesday January 17th 2018, and Wednesday February 14th 2018. In March we will go back to having the meetings on the 1st and 3rd Wednesday of every month. Our meetings are at Grand Prix Karting at 1300 Alum Creek Dr., Columbus, Oh, 43209. Meeting starts at 7PM and are open to all members. The first meeting each month is a Pizza meeting. The second meeting of each month has an emphasis on Fall SuperSwap planning.

## **Attention all Members**

After 31 years Pat Harrington has stated that she will not be running for club Treasurer for 2018. Now don't everyone panic, Pat has promised to train her replacement in "the art of being" a treasurer.

Now we need members who are interested in being the 2018 UFO Treasure to step forward. Anyone who is interested in becoming Treasure should plan on attending the December 13 meeting and throw their nomination in the race.

## Fall SuperSwap Report

By Kevin Dearth (reprint)

Well gang, for some of you, this will be your 31th Fall Swap meet and for some new members, this will be their first Super swap to work!

For our new members, without this show there would be no United Ford Owners! This one money making week-end subsidizes everything we do the rest of the year, pays our insurance, keeps our 2 Ford club trucks in operation, and keeps our membership dues cheap. If you think you can lend us a hand even for a few hours, we'll gladly accept it! We usually have a workforce of about 100 club members, but 120 would be even better! The more the merrier! (call Jay in the evenings 614-861-0053 if you have questions).

This is a list of all we do for our working members:

Everyone gets a new Superswap Event Shirt with a design featuring our members cars!

Parking is free, you'll have to pre-pay but we'll reimburse you at the show.

Each worker can put one car in the car corral for FREE! If you work Friday, we have a worker luncheon and Pizza for dinner!

Saturday evening is our catered workers party—food and door prizes!

Those that work 2 half day shifts receive a years free membership with our club. (\$12 value)

There is no escaping this tough economy, a lot of people are having a hard time. How will this affect Superswap? First question is the vendors, will the demand for swap spaces go up because everyone needs to sell parts, or will they not be able to afford the spaces?

The next question is the parts hunting spectators, will they stay home or attend but hold on to their money?

We'll know in a few weeks. Lets hope everyone is not too pessimistic. Even if we have a few empty spaces there would still be over 1000 swap spaces full of Ford parts. I tell people on the phone: "The only thing I can guarantee is that if you stay home, you won't find what you're looking for!"

The Ohio State / Michigan game will always be played on the Saturday of our swap meet. Thanksgiving being the 4th Thursday jumps around the calendar from November 22nd to the 28th. So our Saturday/Sunday show jumps from 24/25th all the way to Nov 30/Dec 1. In past years, the game definitely hurt our attendance but not tremendously. A bigger impact was the number of swappers that left for home early, the aisle ways were quite empty in the afternoon.

## Thunderbirds and Thunderbird Parts For Sale

A 55 Thunderbird convertible and a 64 Thunderbird convertible both need work but are complete and running.

I also have a huge collection of Thunderbird parts starting with 1951 up to 1965.

I have everything from motors, fenders, sheet metal, bumpers, seats, hoods, and trunk lids. If it was Thunderbird related I have it. My health has caused me to make a hard decision, If I can't find someone interested in these parts then I will have to take them to the junk yard.

If you need something Thunderbird related please contact me.

## **Nominations for UFO Officers for 2018**

Its time again, to vote for new UFO officers for this up coming 2018 year. The nominees are listed below by office in the order that they were nominated. In order to decline a nomination, the nominee must either do so in person at the meeting or contact either Jay Nutt (614-861-0053) or Jerry Strawn (740-653-3152) before Dec. 13th to decline.
