Hello everyone
Its time for nomination of officers at the Nov. 1st meeting, please attend and nominate your fellow members for an office.

The Nov. 15 meeting will be the last chance for anything and everything for the Fall Ford Super Swap this year. If you think of anything we have forgotten please let me know. We are looking for help from marking the floors for set up to packing up the truck when it's all over. If you can help, please give me a call (614-861-0053) or Bob (614-451-3199)!

The only meeting in Dec. is on the 13th which will be the election of officers, if you are nominated and do not wish to hold the office make sure you let me or Jerry (VP) know or you may be voted into office.

The awards banquet will be Sat. March 10th, 2018. We will have more information as we get closer to the date.

The last UFO Cruise of the season is October 21. The weather is going to be great so why not make plans to attend.

Please 'Like' us on Facebook, where you can get updates on our events as they happen. Going to any UFO events, but looks like rain, check our Facebook site to see if the event is on or off because of the rain as it happens.

Get out your calendars and mark down the remaining meeting dates for this year. They are Nov 1 & 15, Dec 13. Nov. 1 is the nomination of officers and Dec. 13 the election.
**Cruise Control**

By UFO Cruise-In Director Chris Browning

Fall has officially arrived, but that doesn’t mean that the fun is over! The August cruise-in was sparsely attended, with several big local shows the same day. A good time was had by those that showed up.

The September show was a different story. With 36 cars registered and over 50 on the lot at the peak, it was the best UFO cruise-in of the year! I’m hoping that the weather holds for the October cruise-in and we can end the season on a high note.

The club also held a cruise-in at the final Ford Race Day event of the year at Pacemakers Dragway, and although it didn’t draw a big crowd, those who attended enjoyed watching some awesome Ford racing and swapping bench racing stories.

The final UFO cruise-in for the 2017 season will be on October 21st at Discount Tire, 6959 E. Broad St. on the far east side of Columbus from noon until 4:00 pm. If you haven’t made it to a show this year, I hope you’ll consider coming out to the finale. A dedicated group of club members have put a lot of effort into our cruise-ins. It would be great to end the season with a large turn-out of club members and their cars. I saw a lot of members at the All Ohio Ford Show in Plain City so I know you’re still out there! That’s all folks, see you on the 21st!

**9th Annual United Ford Owners All Ohio Ford Show**

The 9th annual All Ohio Ford Show was held Sunday September 17th at Pastime Park in Plain City. Registration went well with around 105 cars and trucks attending. The weather was beautiful with temperatures in the low eighty’s and lots of sunshine. The club again had Hot Wheels racing for the kids. This year we even had two food trucks to keep everyone from going hungry.

The proceeds went to the Earth Angel Foundation.

C’Mon and plan to join us next year!

If you have any questions concerning the show please contact Todd Kitchen at 614-286-3026 or email kitchenenator@gmail.com

**“Cruise The ‘Ville” in Clintonville’s Whetstone Park of Roses**

Submitted by UFO Member Tom Waibel

Since it’s October I thought I needed to give the report on the “Cruise the Ville”. Which happened in August

The day started out shaky with light rain and a threat of hail.

This was probably what kept many of the high end cars we normally see away. We still registered 150 cars. The weather got better and it was nice until trophy time.

There were 14 food trucks to eat from, a police helicopter to entertain the kids and 93.3 WODC providing tunes.

The chamber of commerce even bought all the workers pizza!!

I want to say thanks to all that helped, we couldn’t have had the show we had without your help. I hope to see every one back next year.
