Hi everyone! I hope this finds you happy and healthy. I would like to thank everyone that came out to help at the all Ohio Ford Show. I especially want to thank Sue and Chuck for putting it all together. I also want thank all the people who with out them it could not happen, such as Synthia and Sharon who handled registration. Thanks "Bad Brad" for getting the pictures up on FB so fast even the ones of me relaxing! I thought even with the weather reduced turnout that we had a very good group of cars. I especially liked the trophies that Ron put together for us, they looked very nice! I say again to everyone who helped make this all possible, Thank You! Now we are heading into fall and the holiday season so go out and enjoy those last few car shows and begin planning your winter projects as we hope for better things to come.

Let us know about any upcoming shows or projects you are working on. Please send any interesting articles to Jay he needs them for the newsletter. That's about all for now! Next meeting is Wednesday, Oct 5th. I hope to see you there.

Please check the clubs website (unitedfordowners.com) and our Facebook page for info and updates.

13th Annual United Ford Owners All Ohio Ford Show

The 13th annual "All Ohio Ford Show " was held Sunday September 11th at Pastime Park in Plain City. Registration went well with around 36 cars and trucks participating. The weather was the problem, the forecast was for rain in the afternoon so only a few brave souls came out, the funny part was it never did rain. The weather was cloudy with temps in the seventy's. The club again had Hot Wheels racing for the kids. One glitch was that the food truck was unable to serve do to 'techno' problems so the club ordered pizza instead. The trophies were especially nice this year with some being over four feet tall!! The All Ohio Ford Show Committee did a great job getting ready for the Sunday event. The proceeds will go to the Earth Angel Foundation.

If you missed it, there is always next year!

In the Garage—Working on My 73 Mustang

Submitted by Jay Nutt

Hi everyone, I have been feeling pretty good lately so I have been back in my garage working on my 1973 Mustang project. My son, Jason and I were able to replace the rear quarter panel on the passenger side and the entire rear panel on the drivers side . We also welded a new tail light panel in along with new floor panels. I fit them and he welded them in, my hand is too shaky anymore. Two winters ago I tried my hand at rebuilding the C6 automatic that I am using in the car. It seems to be working pretty well. I used a “Monster” rebuild kit which was nice because it comes with everything in one box. The C6 is a pretty strong transmission and this company has come up with some improvements to some of the parts to make it even stronger. I had thought about putting in a six speed manual transmission when I first got the car but I have since realized that I am too lazy to do all that shifting by hand. One of the next things that we were able to do was install a “Pypes” performance exhaust. It is a 2 1/2 inch system, which after watching “Engine Masters” I now know that I should have used 3 inch instead. Oh well! But this system does sound really sweet! One other item that we rebuilt last winter was the power steering box, mine was leaking. I got a rebuild kit from Summit, and after several tries we got it fixed. My advice is to buy the rebuilt box instead .

That’s it for now, I will let you know what else I get done this fall in a future issue.

2023 Club Officer Nominations

It’s hard to believe that 2022 has passed so quickly but it’s again time to nominate candidates for all offices held in the UFO club for the upcoming 2023 year.

Any individual who would be interested in holding an office or has someone that they would like to nominate for an office be sure to attend the November 2nd meeting.

Those nominated will be listed in the next UFO newsletter, so be sure to check it out and see if you have been nominated.

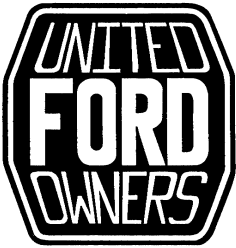

The election of officers will be held at the December 7th meeting, where additional candidates can be nominated prior to the election.

If you have any questions please contact **Thomas Waibel at (614) 444-1504 or e-mail at t.waibel@yahoo.com**
